

PRIVATE GOLF LESSONS MADE AFFORDABLE

Lessons start at just \$25!

Learn to play golf or take your game to the next level. Our professional instructors are committed to providing premier golf instruction in a learning environment to golfers of all levels, from beginners to scratch. Our methodology is based on simplicity and repeatability, building consistency.

Our lessons are real...no simulations!

Our practice range is uniquely designed with the look and feel of a golf course. The layout of elevated greens and targets simulate actual course conditions. Pull out your driver and hit for distance and accuracy and watch your ball soar. This is a true golf lesson... no simulations.

Our Golf Range is heated and weather protected.
